JULIE LASSA'S RECORD IS WRONG FOR WISCONSIN. WE DESERVE BETTER.

Julie Lassa has desperately attempted to hide her record of reckless spending, but Wisconsin voters know she would do the same thing in Washington that she has done in Madison: **be a rubber stamp for the Pelosi agenda.**

- ✗ Voted for a massive \$4 billion increase in government spending.¹
- ✗ Raised taxes and fees by \$5 billion.²
- ✗ Voted for a \$15 billion tax increase...the largest in state history.³

Sean Duffy believes the most effective way to create jobs is by putting money back in the pockets of hard-working taxpayers and creating incentives for small businesses to grow.

The Lassa-Pelosi agenda of big government spending is bankrupting our children's future.
